MORE INFORMATION ABOUT COCHRANE SKIN AND EDEN

The screenshot shows the homepage of the Cochrane Skin website. At the top, there's a navigation bar with links for "About us", "Our evidence", "For authors", "News and events", and "Join Cochrane". A search bar is also present. The main content area features a banner for the "Cochrane Skin and EDEN Joint Meeting - Paris, April 2024" with a photo of the Eiffel Tower. Below this, there's a section titled "Latest News and Events" with several cards. One card discusses seat belt interventions, another about children's pain and family experiences, and others about alopecia and topical corticosteroids. To the right, there's a "Cochrane News" sidebar with links to various news items. At the bottom right, there's a "Sign up for our newsletter" button.

The screenshot shows the homepage of the European Dermato-Epidemiology Network (EDEN). The header includes the EDEN logo and links for "Home", "Friends", "Steering group", "Conferences", "Links", "Education", "Meeting photos", and "Stores". On the left, there's a decorative graphic of three stylized trees. In the center, there's a video player showing a group of people at a meeting, with a caption "IN MEMORY OF PROFESSOR THOMAS DEPSSEN from all EDEN Friends READ TEXT". To the right, there's a red sidebar with the text "Cochrane Skin and EDEN Joint Meeting Paris, April 2024 Abstract Submissions and Registration are open".
